Author's Notes:
Written for a very dear friend-enjoy!

"We should stop doing this..."

"What?"

"This. Hotels. One night stands."

"Not a one night stand if you do it more than once, is it?"

True, but Oli was bloody sure there had to be a better comeback than-

"Yeah, but it's not like a *proper* relationship, is it?"

Fuck's sake. Always tears, what was he supposed to do with those? Out now, trembling lip making him

desperate to get to the van, the safety of distance.

Chris' grin was evil as he dived past him, crawled back to the bunk.

"Never mind Oli - could be worse, mate!"

Yeah - no.
